# COVID-Secure Awareness

## Course overview

When returning to work following a period of lockdown and upon completion of a risk assessment, this course will provide learners with an understanding of COVID-19, symptoms and how to avoid the spread of infection, as well as the measures available to protect employees by making the workplace COVID-Secure.

## Learning outcomes

At the end of the COVID-Secure awareness course, employees will:

- How to protect themselves and others from Coronavirus;
- What action to take if they are experiencing symptoms;
- Coronavirus testing, including who is eligible for a test and how to get tested;
- How to make the workplace COVID-secure

## Course options

### Online eLearning

Online learning offers flexibility for personal development, overcoming barriers like busy work environments. It allows learning anytime, anywhere, accommodating individual schedules and balancing work and family life. With self-paced courses and flexible start times, it's adaptable to various commitments, providing ample time for completion.

**[Book Online](#)**

### Virtual

The live classroom courses on Microsoft Teams offer the advantages of in-person training, allowing learners to engage with content and peers. Ligtas Virtual Training combines eLearning flexibility with tutor support through online sessions. Access course materials and interactive activities on the Ligtas LMS at your convenience, supplemented by scheduled virtual classroom sessions for a traditional training experience online.

**[Contact us for more information](#)**

### Classroom

Immerse yourself in an interactive learning experience. The classroom option provides the perfect opportunity to engage directly with expert instructors, participate in group discussions, and benefit from hands-on practical exercises. Ideal for those who value real-time feedback and a structured learning environment.
