# IOSH Leading Safely

## Course Overview

Improve productivity, increase profits, enhance corporate reputation and strengthen your brand. Leading from the front with enhanced safety and health practices could be the best investment you make.

**Book online**

## Who is the course for?

The IOSH Leading Safely course is aimed at anyone with Leadership Responsibility to ensure they have practical knowledge of health and safety management and provides solutions for sustainable business advantage

## Learning outcomes

After completing the course you'll be able to:

- Recognise the value of strategic safety and health and its integration into business management systems and performance
- Understand their safety and health responsibilities
- Appreciate the consequences of poor safety and health
- Plan the overall direction for safety and health in their organisation
- Understand the importance of adequately resourcing their health and safety management system
- Know why they should monitor and review health and safety performance

# IOSH Leading Safely

## Course Options

### Virtual

The live classroom courses on Microsoft Teams offer the advantages of in-person training, allowing learners to engage with content and peers. Ligtas Virtual Training combines eLearning flexibility with tutor support through online sessions. Access course materials and interactive activities on the Ligtas LMS at your convenience, supplemented by scheduled virtual classroom sessions for a traditional training experience online.

**Contact us for more information.**

### Classroom

Immerse yourself in an interactive, face-to-face learning experience. The classroom option provides the perfect opportunity to engage directly with expert instructors, participate in group discussions, and benefit from hands-on practical exercises. Ideal for those who value real-time feedback and a structured learning environment.

**Book here**

**We also offer closed courses delivered at clients' premises, contact us for more information.**
