IOSH Working Safely

Course Overview

This basic introductory course will enable workers to ensure that their individual and collective actions contribute to health and safety in the workplace and that they understand their responsibilities.

Book online

Who is the course for?

This course is for all levels of personnel requiring a grounding in the essentials of health and safety.

Learning outcomes

After completing the course your staff will be better able to:

- Identify why it is important to work safely
- Identify everyone's responsibilities concerning safety, health, and wellbeing in the workplace
- Define key terms in safety and health
- Identify workplace hazards and risks, their impact, and how to control them
- Identify ways safety, health and wellbeing are managed and improved within the workplace

IOSH Working Safely

Course Options

Online eLearning (3 month enrolment)

Online learning offers flexibility for personal development, overcoming barriers like busy work environments. It allows learning anytime, anywhere, accommodating individual schedules and balancing work and family life. With self-paced courses and flexible start times, it's adaptable to various commitments, providing ample time for completion.

Book online

Virtual

The live classroom courses on Microsoft Teams offer the advantages of in-person training, allowing learners to engage with content and peers. Ligtas Virtual Training combines eLearning flexibility with tutor support through online sessions. Access course materials and interactive activities on the Ligtas LMS at your convenience, supplemented by scheduled virtual classroom sessions for a traditional training experience online.

Contact us for more information.

Classroom

Immerse yourself in an interactive, one-day face-to-face learning experience. The classroom option provides the perfect opportunity to engage directly with expert instructors, participate in group discussions, and benefit from hands-on practical exercises. Ideal for those who value real-time feedback and a structured learning environment.
