NEBOSH Level 6 National Diploma for Occupational Health and Safety Management Professionals

Course Overview

The NEBOSH Level 6 National Diploma for Occupational Health and Safety Management Professionals is the highest level of NEBOSH qualification and along with the International Diploma in Occupational Health and Safety is recognised worldwide.

The NEBOSH Diploma covers health and safety management, hazardous agents, and work equipment safety, and builds on the topics studied in the NEBOSH Certificate courses. It is also recognised as prior learning and therefore allows exemption to part of the MSc courses offered by many UK universities.

Book Online.

How long will it take?

The NEBOSH Level 6 National Diploma for Occupational Health and Safety Management Professionals will involve a minimum of 243 taught hours and approximately 257 hours of private study.

With Ligtas, you can choose how and when to train your staff

Certification

The assessment consists of one workplace-based assignment and two scenario-based case studies. All are set and marked by NEBOSH. Learners must be prepared to commit time to the course and revision time in preparation for the exam. Also, the course is presented in English so learners would therefore need to have a suitable standard of English.

- Unit ND1 Know- Assignment- workplace-based tasks
- Unit ND2 Do- Scenario-based case study
- Unit ND3 Do- Scenario-based case study

Diploma exam dates are set by NEBOSH and take place each January and July. Your enrolment fee is included in the cost of the course, once you are enrolled with NEBOSH you will be notified of upcoming exam dates via email.

Who is the course for?

The NEBOSH Level 6 National Diploma for Occupational Health and Safety Management Professionals is designed for individuals who want to progress their careers in health and safety and develop more in-depth knowledge and skills aiming to become health and safety practitioners.
