ENABLING SAFE ENVIRONMENTS

## SENIOR FIRE CONSULTANT

### ABOUT LIGTAS

Ligtas Consultancy & Training is one of the UK's leading health and safety consultancies. We are seeking a qualified **Senior Fire Consultant** to join our team.

Come and join Ligtas in providing health and safety expertise via consultancy, training, and software solutions – for people who care about keeping people safe.

You can't keep people safe by simply ticking a box, and compliance does not always equal safe, which is why our services focus on supporting our clients to create and maintain safe environments – providing peace of mind that risks are controlled

We care for our clients and partnering with them to ensure safety and compliance is part of who they are and how they operate.

It's an exciting time to join Ligtas as we further develop our client-focused value-adding services and continue to invest in people, processes and software systems.

## SENIOR FIRE CONSULTANT - THE ROLE

You will be based at home with regular travel, including some overnight stays, working closely with other Ligtas team members. You will deliver excellent services to clients across a variety of sectors, including property, manufacturing, retail and banking. You will be client-focused, optimising performance to achieve the best results.

- To undertake fire risk assessments across a variety of property types ranging from residential, healthcare, retail, industrial, infrastructure, education and commercial
- To undertake fire door inspections.
- To provide quality & technical monitoring through the BAFE SP205 scheme
- To provide a fire safety consultancy role to assist our clients with their portfolios
- To provide technical support to other consultants within the business on fire safety matters
- Assist in the development of further fire-related opportunities through technical articles, speaking opportunities, and bid writing support

## THE IDEAL CANDIDATE

### Essential

- Accredited level 3 Fire Risk Assessment Qualification
- Familiarisation with legislation and approved codes of practice, such as DCLG guidance, HTM codes, British Standards, NFCC guidance
- Ability to operate in a fast-paced environment
- Excellent communication skills
- Conscientious and enthusiastic
- Member of a professional Fire Safety body, e.g. IFSM, IFPO or IFE
- Proven experience carrying out Fire Risk Assessments in a range of properties, i.e. residential, commercial, retail etc.
- Experience in consultancy services
- Able to work in multi-functional teams and independently

## **SENIOR FIRE CONSULTANT**

### **Desirable**

- Level 4 fire safety qualification, or working towards other relevant fire safety qualifications, i.e. FPA C07 advanced fire risk assessment, BS999
- Other relevant fire safety industry experience or Fire and Rescue Service experience
- Registration on a Fire Risk Assessor Competency Register
- Experience working as a BAFE SP205 Approved Validator

### **Job Type**

- Full-time

## **SALARY AND BENEFITS**

- Competitive Salary - £45,000 to £50,000 per year
- Company car/car allowance
- 25 days annual leave plus bank holidays
- Excellent Pension
- Healthcare Cash Plan
- Life Assurance
- Personal development opportunities
- Be part of an exciting, modern, progressive team
- See website [www.ligtas.co.uk/careers/](http://www.ligtas.co.uk/careers/) for more details benefits package details

**Ligtas would like to hear from you if you feel you meet the criteria for the role**
